A Salute

We salute the members of the
Glenora Club who are not here to
entertain you tonight, because of
their service to our Country.

Some of these members have paid
the Supreme Sacrifice through their
devotion to duty and their desire to
serve their Country in its hour of
need. They gave without stint, and
their self-sacrifice is an inspiration
to us all.

MR. G. J. KELTIE
PRESIDENT OF GLENORA SKATING CLUB
Chairman of "Ice Show"

It is four long years since the Glenora Skating Club staged its last Ice Show at the Edmonton arena, and notwithstanding the fact that we are still passing through trying times, with many of our members in the services, we have been fortunate in maintaining a high standard of skating performance at our Club and have been successful once more through the use of the arena to produce for the approval of our many patrons our 17th presentation, the 1945 "Ice Fantasy."

In our endeavour to improve the show from year to year, we have been glad to be guided by the public reception of our various efforts and we trust you will continue to help us in the same pleasing manner you have in the past.

Our Club is primarily a figure skating club, the performance of which consists of placing figures on ice, free skating, group skating, ballet dances and dancing to music. Out of this form of recreation has grown our show and in order to increase its interest we have introduced some comedy, colour and costumes.

Our active members range in age from four to fifty-seven years. Most of them will perform before you tonight and regardless of how small or how prominent a part they play, you may be assured that they have worked hard to give you their best performance.

We are fortunate in having with us tonight, from various parts of the United States, four professional figure skaters—Dorothy Goos, Betty Atkinson, Barry Galbraith and Chuck Hain—whose performances we feel will meet with your approval, also our own Canadian "Ladies' Junior Champion," Doreen Dutton, gold medallist and native of Drumheller, Alberta. We know you will give them and our own skaters the welcome they deserve.

The generous support of the public of Edmonton and surrounding districts has made it possible for our Club to present these performances in past years and we trust it will continue for many years to come.

G. J. KELTIE.

Foreword

Edmonton is by nature one of the great centres in Canada for the enjoyment of winter sports and for developing them to a high degree of proficiency.

One of the most notable developments of recent years has been the increasing interest in certain of the old world sports, such as Skiing, Figure Skating, Tobogganing and Bob Running. Today, almost everyone, old and young, can find some winter sport medium for health and recreation. Winter sports afford one of the most valuable aids to building character and citizenship.

VICTORY GARDEN

You'll Find All Your Needs at
EATON'S

Long before the snow disappears, long before the first robin puts in his appearance (or has he?)—even before the first pussywillows come out into the sunshine, VICTORY gardens are being planned! We are all interested in Victory gardens these days—because we assist the war effort as well as ourselves when we plant one.

AND HERE AT EATON'S, we have a great array of things you'll be needing. Lots of seeds, of course, from vegetables for food, to flowers for beauty. And we've garden tools, and fertilizers, too—reliable brands to help your Victory garden grow! See them all when you come shopping at EATON'S!

N.B.—Here's a suggestion! Send vegetable and flower seeds to your friends and relatives overseas.
